Answers Based on my experience, it usually takes a few days for questions that don't ask for answers to completely go away. The freefall altitude book 3 answers will update over time as well. It will be interesting to follow the progress of some questions, even if they don't end up getting answers. I guess I was looking for something else as a lead to book 2 answers and etymologies of the word. This is something I never thought I would be doing and I am amazed and excited about it. I guess that is my next book. Thanks, Paul. Hope the release of the books go well. Love the website as well as the books. Looking forward to the next iterations of the books. Need some material with English along with computation and solutions in our texts. Hope to see you guys on again. Looking forward to the next presentation and evolution of the freefall altitude book 2 answers. Yes, there are some things that will be in common for all of them. There are more physics questions, some with video. There are some computation questions, some with video. It's going to be a long day! There may even be a quiz on the website, for which I'm writing a new rule. 1 hour will probably cover these two presentations. As time allows, I'll try to talk about some of the book-related topics. This is an amazing game for self study. I always thought that I wouldn't like the format, but it's really nice. I'm looking forward to seeing where the site goes. Book 1 was an amazing start to this experience and I'm looking forward to book 2. I'm looking forward to seeing where the site goes. 1 hour will probably cover these two presentations.
