

“Having such large amounts of data available in real-life situations has enabled us to give players the sense of being surrounded by invisible technology,” said Dr. Sebastian Nema, Head of Player Experience, Massive Misfits. “Using this data, our AI algorithms will act as a virtual assistant, providing a wealth of stats and video clips that were previously only available in-game.” Seasonal and Live Events Each season includes a unique selection of events. The distinctive competition calendars for 2017 include two new Live Events, three new seasonal events and three new Challenge events. Seeding, knockout and qualification rounds to all events will also be updated for the new season. Seasonal events are now more realistic. All of the match settings for the 10 different seasonal events have been completely redesigned. Seasonal events include: Home Cup: A home-and-away knockout competition for domestic clubs. Super League Europe Cup: A knockout competition for the top five European teams. Champions League: A knockout competition for clubs from across Europe and the Americas. International Trophy: An international friendly for qualifying clubs to establish a place in the international playoffs. The revamped seasonal events include: International Champions Cup: A knockout competition for clubs from across the world. International Playoffs: A knockout competition for clubs from around the world. World Cup: A knockout competition for the best clubs from all over the world. Comeback Games: A knockout competition for clubs in transition from the previous season. Seasonal events also include a new concept – the League Cup. The League Cup is a knockout competition for the bottom-half of the table, and the competition will also determine which clubs qualify for the playoffs. Challenge Events The most successful clubs will be invited to participate in the Challenge Events, which include an all-star team, Legends match and a full fixture. The all-star team will pit the world’s greatest club players against the best club players from around the world. The Legends match will be played between the two teams, and only the top 10 of the Challenge Events will be invited to take part in the full fixture. Historic New Leagues and New Leagues The new concept of leagues offers more choices to clubs, and the number of competitions now available for clubs is greater than ever. The new concept of leagues enables clubs to create their

FIFA is the world's leading sports video game franchise, and the world's premier football title. In addition to FIFA Football, the most successful game of the FIFA series, FIFA offers the FIFA Manager series, a match day simulation, as well as clubs, leagues and tournaments in a vast array of sports. The roots of the FIFA franchise go back to the early '80s with the release of the PES series, and the FIFA franchise has remained at the heart of EA SPORTS titles ever since. FIFA's rich history has inspired a number of high-profile collaborations and partnerships, including the recent announcement of FIFA 20 and the FIFA/UEFA Champions League partnership. What are FIFA Ultimate Team? FIFA Ultimate Team (FUT) is a game mode in FIFA where the player creates and manages their very own team of footballers, building their squad by collecting licensed players, kits, contracts and more to assemble a team of their own choosing. FUT can be played solo and cooperatively with a friend on a single system, or alongside other players in a one-to-many or many-to-many LAN and Online mode. In FUT, players can win new players that become available in packs and then be rewarded for completing specific challenges in-game. Players may spend premium currency earned in FUT on new players and other content.
